

HONEYMOON PACKAGES AT GRANDE RIVIERE

Rive Gauche & Rive Droite in Grande Riviere is one of the North Coast's best kept secrets. With its burbling river, home to the Pau'i or Piping Guan, Leatherback Turtle, river crayfish and ocean lobster, Outdoorsy couples will swoon over the pristine North east coast wilderness and all it has to offer.

Both Rive Gauche & Rive Droite are one-bedroom cabins, each with its own river deck on the Cliffin's private property, a secluded hideaway under a canopy of Applemat, Mahogany and Samaan trees.

From here, you can indulge in a spot of birdwatching, cuddle up on a riverfront hammock or simply bask in the beauty of the Rainforest. With a lack of radios, clocks and TVs, it's all about privacy and seclusion.

All-inclusive rates include accommodations, three meals per day, and access to river activities like stand-up paddling, Bird watching, photography, snorkelling and fishing (bring your own equipment)

Honeymoon Packages are for 3, 4 or 5 nights. A Complimentary River Cocktail is offered on arrival (Rum or Virgin) and a special turndown service includes petals in your bed. We offer a Full Meal Plan for 2, Non-alcoholic minibar beverages, English Cooked Breakfast with freshly Homemade Bread, Light Love Lunch Bites and themed 3 course candlelit dinners with or without alcohol.
